

CRYSTAL PANE

Custom Window Systems CRYSTAL PANE line offers the discerning homeowner a unique combination of beauty, style and durability backed by the famous CwikQuality™ 10-year warranty. Additionally, CRYSTAL PANE has been recognized by the U.S. Department of Energy as qualifying for the coveted ENERGY STAR® rating.

You owe it to yourself to compare. We're sure you'll recognize the real value your home deserves with windows by Custom Window Systems.

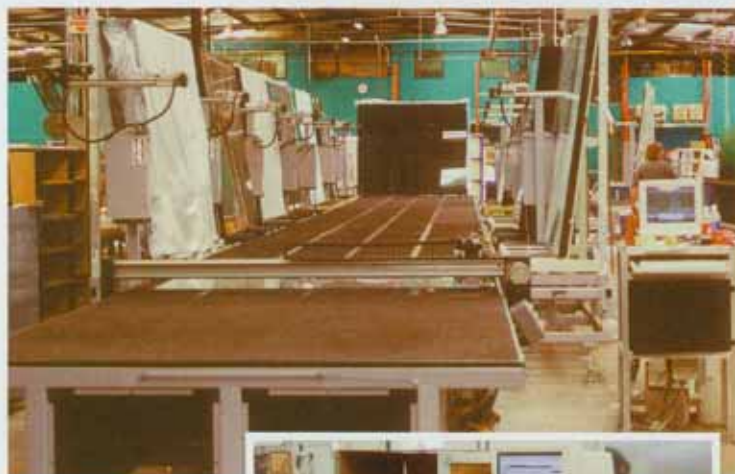

You deserve precision, superior quality and real value from a name you can depend on.

7000 HORIZONTAL ROLLER

SUPERIOR CONSTRUCTION

CRYSTAL PANE windows are available in white, ivory or bronze and come with double-strength glass and half screens standard. All windows feature tandem rollers for smooth operation and removable sash and screen for ease of cleaning. Screens feature metal tabs for maximum durability. Interlocking vents ensure the best possible weatherproofing, and the movable vent seals feature both rubber and center fin pile stripping. Windows more than 30 inches tall feature double locks. Insulated windows boast 5/8" thick insulated glass. CRYSTAL PANE windows meet Florida's new codes and are commercially rated for residential use.
