

## Marble-Classic Limited Five-Year Finish Warranty

---

Classicast warrants that the Marble-Classic finish applied on Classicast Columns will be free from fading or discoloration and any cracks, runs, or peeling in the clear coat for a period of five (5) years from the date the product is originally installed.

If the Marble-Classic finish fails during the warranty period for reasons covered by this Limited Five-Year Finish Warranty, and the purchaser submits the required written service request, Classicast will:

**Refinish the product with a finish that is functionally at least equal to that of the finish being replaced.**

\* See warranty card for complete details.

The logo features a large, elegant, blue stylized 'M' followed by the words 'arble-Classic' in a bold, blue, sans-serif font. Below this, the text 'by Classicast' is written in a smaller, italicized, blue font.

The dramatic beauty  
of traditional marble  
applied to columns  
made from today's most  
advanced materials.

Made from today's most advanced materials, Classicast Columns™ provide not only the look-and-feel of natural stone, but are now available in dramatic Marble-Classic™ finishes.

Stronger than concrete, steel or aluminum, Classicast Columns with a Marble-Classic finish offer the traditional beauty of real marble in a durable, low maintenance, versatile vertical support.

By combining the art of digital film processing with proven automotive paints and clear coating technology the Marble-Classic finishing process comes to life ensuring uniform adhesion and long-lasting color integrity.

Add the dramatic beauty of traditional marble columns to your projects with Marble-Classic Columns by Classicast.

**High endurance automotive finishing process**

**Easy-to-install • Waterproof/Low maintenance**

**Outstanding warranty programs**

Classicast Columns coated with the Marble-Classic finish are available in fluted and unfluted round, tapered shafts in sizes ranging from 6" × 6' to 16" × 12'; in round, non-tapered shafts from 8" × 8' to 14" × 12'; and in square, non-tapered shafts from 6" × 8' to 12" × 12'.
