

Features and Benefits

- Cellular PVC construction provides an optimum combination of uniformity, durability, workability and beauty.
- An ideal alternative to wood for all non-load-bearing applications.
- Cuts and shapes similar to wood.
- May be painted or used in its base color of white, which is molded clear through the product.
- Resistant to moisture, decay, cupping, splitting, delaminating and insect infestation.
- Cellular PVC Trim products work beautifully with Fypon detailed moulding profiles.

FYPON
Cellular PVC Trim

The beauty of wood. The brilliance of **Fypon**®

When it comes to making your projects easier, nothing fits the bill like Fypon. And when your projects call for wood, Cellular PVC Trim is a brilliant alternative. Cellular PVC Trim has a density comparable to white pine and is available with a woodgrain finish. It provides the perfect combination of uniformity, durability, workability and beauty. Suitable for non-load-bearing applications, Cellular PVC Trim requires no special tooling, and can even be field cut. And while you're sure to find Cellular PVC Trim's ease of use irresistible, you'll also find it resistant to moisture, decay, cupping, swelling, splitting, delaminating and insect infestation. Best of all, like all Fypon products, Cellular PVC Trim is backed by an excellent Limited Lifetime Warranty and legendary support and service.

Fypon Cellular PVC Trim is ideal for:

- Fascia
- Soffits
- Corner and frieze boards
- Flat panels
- Fencing
- Sheet stock
- Bead board

Fypon Cellular PVC Trim offers performance superior to wood and other engineered boards.

Property	Cellular PVC Trim	Engineered Trim	Wood
May be placed against masonry	YES	NO	NO
Distance from edge required for nailing fin	1/4"	1/4"	1/4"
Requires pre-drilling when edge nailing to avoid splitting	NO	YES	YES
Painting (Number of coats needed)	1 (if desired)	2	2
Water absorption	NO	YES	YES
Resistant to decay	YES	NO	NO
Insect-resistant	YES	NO	NO
Moisture-resistant	YES	NO	NO
Above-grade distance requirement	0"	6"	8"

Fypon Cellular PVC Trim features a durable, smooth surface.

Fypon Cellular PVC Trim is also available with a realistic woodgrain finish.

Fypon Cellular PVC Trim's color is molded clear through, making it ideal for field fabrication.
